To Whom It May Concern

This is to confirm that Patrick Casiano worked at the Central Zionist Archives, from 2nd August 2015 – 8th March 2017, on 2 projects, the ordering, cataloguing and indexing of files of the Office of the Jewish Agency in Frankfurt from 1945 to 1970, and the files of the Berlin Office of the Keren ha-Yesod from 1920 to 1926.

Patrick worked diligently and thoroughly, and invested much effort in learning both the historical content of the material, and archival practices.

Sincerely,

Rochelle Rubinstein
